Description

THIS VESSEL IS LOCATED IN SYDNEY NSW Precisions are legendary for their build and design. Still to this day they are regarded as one of the strongest and best boats made in Australia. The vessel is an absolute bargain, she will provide the new owner with years of pleasure. An often used quote of “they don’t build them like this anymore” has never been more fitting for Omega. Her flybridge and cockpit areas are immense. The cockpit and saloon open up and flow as one, Omega is the ultimate large volume entertainment vessel. The vessel is a Randall design that was built to survey by Precision Marine in WA. She was built for the Port Authority of Melbourne in 1984 at a cost of \$250,000. During the late 80s, she was bought by Flagship Charters in Sydney and operated as a successful charter vessel on Sydney Harbour under the name of Omega. Her most famous guest was Princess Diana. She was sold in the 2000s to a private owner who let her survey expire. The current owner purchased the vessel in 2010 and the vessel had a major refit in 2011/12, the refit cost in excess \$200,000.

The refit consisted of:

- A total respray of the vessel
- Hull took back to glass, epoxied and antifouled
- All new stainless steel
- New bowsprit
- All remedial work of boat structure
- New flybridge console that was built to the rear of flybridge
- New flybridge seating
- New Electronics
- New Fusion stereo system + engine room beatbox
- New radios, VHF and 27MHZ
- New electronic engine controls
- New navigation lights
- New bimini aerial array
- New flybridge stainless ladder and teak steps
- New flybridge covers
- New helm chairs
- New flybridge seating cushion’s
- New flybridge windshield
- Total electrical rewire and new switchboard 240v and 24v
- A new hot water system
- New vacuflush toilet pump and tank
- New extra fresh water tank
- New LED lighting throughout the vessel
- New main cabin headlining
- Total gut and refit of saloon area
- New microwave
- New Carpet
- New non-skid paint on decks
- Teak cockpit recaulked and cut back
- New bunk in the mid-cabin
- Full engine service and upgrade
- Full service of 6.5KVA Onan generator
- New rear deck awning
