Description

This Australian made and designed Kingfisher 50 Royal is in good condition for her age. This boat is fully loaded with an upgraded 17KVA Diesel Generator, Blue Under water lighting, Radar, Auto-pilot, Inverter, extra house batteries, 2 x 12 Inch screens with Garmin Auto Pilot / Plotter / Sounder plus much more!

These Kingfishers are built to a very high standard. This owner has had the vessel for an ample amount of time. The vessel has got full service history, and has just been serviced antifouled, polished ready for the new owner to take her out and start their boating adventure.

The Kingfisher are known for their sea keeping abilities and their sheer massive volume, they have more volume than any other 50ft Flybridge cruiser on the market! Featuring Twin 660 hp MTU Diesel motors this boat is set to take you and your family any where you wish to go. This Kingfisher has plenty of power behind her to get out of any chop / swell you throw at her, plus the Kingfisher 50 features a massive V-shaped bow as well.

The Kingfisher 50 Royal has a massive enclosed fly bridge that is air-conditioned making your cruising comfortable, also with full 360 views parking is that much easier.
