Description

This 2007 Mustang 3500 Sports Cruiser is one of the best condition mustangs I have been on! The Mustang 3500 sports cruiser was a very popular model mainly because of the great layout they have also people loved the huge headroom and lots of natural light making the Mustang 3500 a very comfortable boat!

As you step onto the fully moulded aft bathing platform you will notice the large L-shaped lounge which has been designed to incorporate everyone together so when entertaining guest you are all socialising with each other. Another great thing about the design is in the middle of the cockpit the designers have put a small cupboard with storage and also a sink to do any washing up while still socialising with your guests.

This boat has been well maintained with her current owner and presents very well for her age. This Mustang 3500 has been fully optioned from factory with a large stainless steel bar on the aft of the boat, Brand new dragon fly navigation gear, brand new Fusion stereo system, VHF, Underwater lighting, Bow Thruster plus much more!

If you are looking for a very comfortable and reliable family sports cruiser then look no more! This is the perfect boat for you!
