## Description

AUCTION: Thursday 14th March 2019 11am - Gold Coast Turf Club Bundall, Australia.

There is a lot to like about this Princess, as expected the V39 is a beautifully presented package that has been logically laid out to optimise the sports cruiser lifestyle for which it's tailored. Some of the major features include the electric-hydraulic swim platform, the oversized sunroof, the wet bar and barbecue.

The V39 comes standard with twin Volvo Penta D6-330 DPs. On board, the teak-laid cockpit is generous in size and features u-shaped seating, a dining table, which can be converted to a daybed, and a wet bar.

Inside, the saloon and galley combine to create a second sociable space for entertaining guests. Behind the windscreen, a raised C-shaped lounge provides views across from the captain and co-pilot seated on separate helm chairs. At rest, the same crew lounge doubles as a chaise.

There are also two luxurious cabins. The main cabin, which is forward, has en-suite access to the main bathroom that has a separate shower stall. The aft cabin is fitted with twin beds, large windows to both sides and the option of sliding berths to make a double suite.

The swim platform is large enough to house a tender and provides easy access to the water for swimming.
