Description

2004 Hustler 50 Monster

Melbourne, Victoria

Introducing the Hustler 50 Monster - the epitome of speed and comfort on water. With well over 2000 horsepower, it is the only vessel of this configuration in the world and is one of the fastest and most impressive vessels in Australia.

If you want to be recognised as "one of a kind" and stand out from the crowd, keep reading as this is the vessel for you.

Designed and built by Hustler Powerboats in the USA, the Hustler 50 Monster boasts an advanced hull design which ensures an ultra-smooth ride, even in rough waters, providing you with unmatched comfort and stability.

Powered by dual Supercharged 602cin Cobra Power V8s speeds of over 100 miles per hour are standard. Combine this with a sleek White Pearl coloured exterior, with a functional and comfortable interior, featuring amenities such as an Island Bed, 2 Full length Couches, Head, Shower and Galley and you are in control of a vessel that very few would ever get to experience.

Being one of a kind is not for the faint hearted, so if you want to experience the adrenaline rush of the ultimate boating adventure contact us now to register your interest and get full technical specifications.

The vessel has a Kohler generator which can be used rather than shore power.
