Description

This 2005 Sunseeker Predator 68 is one of the best in its class! As you step onboard the massive hydraulic swim platform you can see and feel the quality that sunseekers are built to. This sunseeker Predator 68 is one of the best on the market! This vessel has had everything done from a 2-pac respray to full mechanical service. This boat is "Turn Key" ready to take you and your family out on the water today!

One of the most amazing features I like on the Sunseeker Predator 68s is the Full beam master, these boats were built to the most high class comfort, it is like staying at a posh hotel on water! This boat has all you need to be able to cruise the waterways for extended periods of time. This Sunseeker Predator 68 has been highly specified with the inclusion of the enclosed glass doors as a factory upgrade, it is truly an all season boat.

Another good feature about the design of the Predator 68 is that you could drive the boat and still be central to the guests that I had on board. At other times there is enough space for a skipper to not feel intrusive. Whether it has been summer or winter, there is plenty of entertaining space up on the main entertaining deck.

This Sunseeker Predator 68 can comfortably sleep 6 in two double beds and two bunks spread over 3 cabins. The two main cabins have en-suites, with the master being a rear full beam suite. There are 3 large lounges that can also be used to sleep more guests. There is a fourth room for a skipper however, this is typically used as storage.

- * Front and rear thrusters for ease of docking (I upgraded these in 2016 to new side power units)
- * Remote control for docking (changed to Yacht Control in 2017)
- * Auto Pilot and Dual Navigation screens
- * Radar
- * Retractable Large Swim Platform
- * Garage for Tender
- * Plenty of out of sight storage

I can supply all service records from this owner and the last owner where you will be able to see that no expense has been spared.

Things that have been done to this vessel;

- *re-sprayed
- *reupholstered loungers
- *extended awning
