## Description

The best owner/operator European flybridge available in Australia 'ALL IN' the 2006 Azimut 75' is a pristine example of the highly popular 75' flybridge. Having sold her to the current Australian owner, the striking blue hull is complimented by a spectacular refit in 2017, the spacious 4 cabin layout with raised commercial galley is the perfect family vessel, and the alfresco dining flybridge with hardtop and ample sun pad areas ensures you are covered from all angles. With only 600 hours on the upgraded MAN engines, she is in turn-key condition ready for the Australian summer. Lying Gold Coast, contact Brock Rodwell [+61 408 303 203](tel:+61408303203).
