## Description

This 2006 Dyna 50 Flybridge is one to see, 3rd owner since new this vessel presents better than any other 2006 vessel on the market. The current owners have loved her for the 4 years they have owned it, always served on time, always had items replaced when they have broken. From the bottom of the boat to the bimini this vessel has been very well looked after and cared for.

Featuring very large cabins and 2 ensuites, upstairs galley, 2 helm stations, bow and stern thruster, radar, autopilot, watermaker, upgraded Volvo diesel shaft drive engines, large davit crane on the rear platform, extended diesel tanks for longer trips, plus much more. The vessel is well equipped for just weekends out with the family or long weeks exploring.

As you step onboard this 2006 Dyna 50 Flybridge you will notice the large molded bathing platform with a removable cradle for the tender and large davit crane to lift the tender onboard with ease. As you walk through to the cockpit of the vessel there is an ample amount of space, volume with an inside type feel with the removable back covers. This owner in particular has had a custom-made teak table that is removable and also extendable from a small coffee table to a dining table. This vessel has also had a small teak table made on the starboard side near the cockpit door as well as a custom made extended awning of the rear which ends at the back of the rear seating lounge with full camper covers the whole way round. The zip-out windows also feature fly-mesh as well.

Forwarding through to the lounge/dining area there is a fair amount of head height continuing through the bedrooms and the kitchen, there is seating through the port side with a TV/cupboard space on the starboard side. The kitchen is elevated up higher than the lounge room on the same platform as the helm station which is ideal as you as 360-degree views of the water while in the kitchen or driving from the downstairs helm station.

Continuing down to the three cabins the head height is continued as well as the volume, you have two cabins midship port and starboard both with fixed single beds, the port side cabin can be converted to a very large double bed as well with fill-in cushions. The 3rd master cabin has a walk around double bed with its own large ensuites featuring a full shower and electric toilet. The second ensuite featuring the same as the other two cabins.

The large flybridge features a large U-shaped lounge & two driving seats. The 2006 Dyna 50 flybridge has a mini sink as well, this vessels flybridge has been fitted with a large bimini covering the owner bridge as well as clears enclosing it, the clears have also got an extra zip insert fly mesh to block the sun out and mosquitoes that goes the whole way around the flybridge.

This vessel is one to see, if you are looking for a massive volume flybridge vessel for a good price then look no further. Contact the exclusive listing agent Joshua Dicker on 0479 100 029 for your personal inspections today.
