Description

2006 Riva 33' Aquariva 'Bella Ciao'
Sydney Harbour, Sydney

Rarely does such a unique vessel appear in Australian waters, BELLA CIAO is a genuine Australian delivered 2006 Riva 33' Aquariva that has been fully restored in July 2023 to absolute showroom condition by authorised Riva representatives.

The most popular Riva ever built is almost as famous as the guests she has entertained onboard and her classic Lake Como lines will never date. A pure standout on any harbour, lake or ocean passage her shaft drive performance under power is one of the smoothest rides you can experience. Her large 8 seat u-shape lounge is perfect for entertaining and oversized aft sunpad is a focal point for all couples to sunbaked in style.

Along with her eye catching stainless and mahogany looks, she is perfectly powered with twin Yanmar 370hp Diesel shaft drives that have recently had a full salt water service. Underneath the Rolls Royce inspired helm station, she has a day bed for relaxing, skylight for ventilation and toilet with holding tank.

Classic lines meets modern technology, with upgraded FUSION bluetooth audio package, hidden hydraulic retractable navy Bimini for shading, electronic engine hatch and remote operating anchor winch and stainless swimming ladder.

With the current owner carrying out a no expense spared restoration with all genuine Riva parts, BELLA CIAO is in the best condition she has been since her launch. Priced at \$699,000 AUD there is no better opportunity to secure a piece of Italian history in local waters.

Factory Specifications:
