Description

2007 Chris Craft 28 Corsair 'Heritage Edition'

2007 Chris Craft 28 Corsair 'Heritage Edition' is proudly offered for sale, exclusively with Ray White Marine. This is a 2007 model which has been exceptionally well cared for by her experienced owner (he is also in the yacht industry). The perfect Sydney Harbour runabout boat for someone looking to own one of the most highly desirable boat brands in the world. This 28 Corsair is the perfect Harbour boat due to her deep vee hull design, which handles the swell very well.

Its' generous dimensions provide ample interior space and allow for more powerful twin-engine configurations. The boat has a fitted corsa exhaust which allows for either quiet or loud settings.

Since her purchase, the vessel has been minimally used clocking in 300hours and has spent most of her time, dry stored. The boat also has a shore power system connected.

Her stunning lines, gorgeous curves and generous use of teak makes this Corsair 28 a head turner. She is unique with her custom cream coloured gel coat paint. All upholstery has been consistently detailed retaining the original Chris Craft statement of elegance. There is a double 'V' berth cabin with a marine toilet that has never been used by the current owner. There is a fridge and sink in the cockpit plus deck shower. The aft cockpit converts to a spacious sunlounge, great for entertaining.

Being a very proud owner, he has spent approx. \$20 000 worth of mechanical works including new fitted Fusion Stereo, new fitted 10inch Garmin Touch Screen Navigation and Sonar, all were completed in October 2020. She has been regularly serviced with invoices and a list of all mechanical works can be provided upon request.

Chris Craft Boats have been passionately building pieces of art that speak to all boat enthusiasts around the world since 1874 and this 28 Corsair is a remarkable example.

2007 Chris Craft 28 Corsair 'Heritage Edition' is currently lying in Sydney and is available for inspections. For further details, please contact the sales broker:
