Description

Ray White Marine is proud to present this immaculate 2008 Regal 4060 Hard Top Sports cruiser. This vessel is very well maintained with full service history from Volvo on the Gold Coast for the last 5 years. This Regal has been fully optioned from factory including upgraded Volvo Penta IPS 500 Diesel engines with Joystick docking, taking the stress out of your boating adventure. In July 2019 this vessel had all major services done necessary from the Volvo Penta dealer including full POD service, replacing & upgrading the Pod seals, and upgrading the brass rings to stainless on both sides, all hoses got replaced on the engines which were recommended from Volvo with age.

This model vessel is fitted with two generous, lockable cabins with their own ensuites to ensure you and your guests will sleep in comfort. The forward master stateroom boasts a large island berth while the rear midship cabin features side by side single berths which can also convert to a double if required. Both cabin areas are airconditioned which runs from the Genset or shore power. The Internal cabin boasts huge volume and enormous 2.1m headroom, with an ample amount of natural sunlight.

While most of your living and entertaining will inevitably be done up on deck, downstairs the main saloon area and galley are volumous and well-appointed with an upright fridge, microwave, induction cooktop, dining table and a lounge with recliner style footrests.

A large swim platform provides a home for the tender and fishing or just sitting. A Snap Davit system enables easy and quick tender launch and retrieval. Access to the bow can be either, safely through a door in the front windscreen or along either side of the superstructure. The Regal cockpit has an outstanding layout featuring a huge rear seat with space for an esky, also has C shaped lounge with a drinks table, two seats for the drivers, and also a full minibar equipped with a large 12v drinks fridge and icemaker.

This vessel is fitted with a full Raymarine sounder, plotter, radar, autopilot, anchor chain counter, Volvo smart screen display, Raymarine VHF, trim tabs plus much more! The owner has just spent a lot of money installing full new clears and covers which have been upgraded with an extra-large rear awning, also full flyscreen around the vessel, plus sowed flyscreens on all the opening windows.

If you are looking for a huge volume hard top sports cruiser with all the options you can think off then look no further this vessel is equipped to go anywhere with the reliability for ease of mind, please contact the exclusive listing agent Joshua Dicker on 0479 100 029 for more information or to book your personal inspection today.
