Description

This 2008 Riviera 4400 Sport Yacht is one to see ! Having full service history and featuring a large bathing platform and large rear cockpit this boat is one of the most comfortable Riviervas to entertain on.

This Riviera 4400 Sports Yacht has had every option ticked from factory! This vessel features a large Hydraulic platform making it easier to launch and retrieve your tender plus this makes a good platform for kids to be playing on the rear of the boat while at rest.

This vessel comes with a great range of spare parts including a brand new propeller from the Riviera Factory, a brand new hydraulic motor in the box from the factory of Riviera. This Riviera 4400 Sports Yacht also has been fitted with an additional 500L of fuel for long range cruising!

As you walk into the saloon of this vessel you notice the high quality bench tops and finishing that every Riviera is built to, you will also notice the good quality leather lounges and Vinal ocean line flooring.

One of the biggest problems about boats is parking! This Riviera has been fitted with the Joystick control docking station making parking a breeze! Wired to the high powered Volvo IPS 600 pod drives, you know that no matter how strong the wind, tide or how tight the parking spot is you will have enough power and movability to put your boat anywhere!

This boat is turn key ready to accommodate you and your family tomorrow! This vessel has just been Buffed, polished, antifouled and serviced. All the hard work is now done for the next 12 months!

This boat is fully optioned and was the Riviera 4400 Sports Yacht Display boat for the Sydney International Boat Show!
