Description

2015 Selene 58 Ocean Express

The Selene 58 has had the best of everything, even down to 2 full-time professional crew since she arrived in Aus.

Like all Selene yachts, she features fabulous interior woodwork, exotic granite, a selection of glamorous draperies and fabrics, as well as high-quality lighting and interior fittings. She is designed for extended cruising in style, comfort, and safety.

The interior is not the only outstanding feature of the Selene 58 Ocean Express 'HIPPOCRIT' also features high fuel capacity combined with increased waterline length resulting in exceptional speed and fuel efficiency. The build quality and superior systems mean that she is more than just graceful: she is strong.

The owners have spent approximately \$700,000 on modifications and upgrades to 'HIPPOCRIT' since she was unloaded in Australia new in January '15. Her Aft deck extension @ \$250,000 and TRAC Zero Speed stabilizers @ \$300,000 being 2 of the big-ticket items, along with all leather lounges recovered in \$1200/hide premium leather (18 hides total).
