Description

Cruise the beautiful Australian coastline in this 2016 delivered vessel which was custom designed and made for her very experienced owner and his family to cruise the whole Australian coast (2000 nm range @9 kts with 10% reserve; 530 nm range @15 kts with 10% reserve) and to be totally self-sufficient producing it's own 240 V power supply from a large waterproof 20 KW Lithium battery bank fed by 1.6 KW of solar cells, topped up automatically by the voltage sensitive 17.5 kva Onan generator. The teak laid spacious cockpit is fully sun protected by breezeway screens and there is seating for six in a fixed seating area starboard aft. There is a bathroom to starboard in the cockpit with a wash basin, laundry and separate enclosed shower stall. On the port side there is a large hinged opening window on gas struts providing seamless access from the galley for the chef to interact with people in the cockpit. The u- shaped galley to port aft is well equipped with induction burners, dishwasher drawer, instant hot water via a zip system, floor to ceiling two door fridge with large freezer drawer. There are twin sinks and numerous high quality Blum soft close drawers and cupboards. The saloon is spacious with quality blue leather covered seating for six to eight on two settees. The owner's air-conditioned island bed stateroom is forward in the port hull with a large bathroom amidships. The starboard hull has a double bed cabin forward and another double amidships. There is a spiral staircase to stbd, opposite the galley, leading to the enclosed air-conditioned flybridge. This space offers excellent 360 degree visibility, the best electronic equipment on the market, very comfortable helm chairs, a bar fridge and comfortable seating for four to six people. Aft of this on the back deck is the 4.3 m RIB & 50 hp four stroke outboard and the davit to launch it.

Feel free to contact Jackson on 0420 322 262 or Jules 0452 554 191 with any further questions or to book a COVID safe inspection

Features

Designer	McDonald Smith Marine Designers
Builder	MEC Marine
Water (Potable) Capacity (l)	800
Hull Construction Material	Aluminium
Hull Type	Multi
Deck Construction Material	Aluminium
Length (feet)	50
