Description

Presenting a 2017 Wellcraft 242 Fisherman Scarab Offshore, a perfect blend between comfort and offshore performance. For the keen fisherman or for a family day out at the beach this centre console is excellent for all needs.

Its offshore capabilities are visible with the vessel's high freeboard, deep hull, and an articulated bow flare. Powered with a 350 Mercury Verado (approx 450 hours) the boat cruises at an economical 28 knots and tops out at a staggering 44 knots.

Accentuating the duality of use for the vessel, detachable cushions and a sunpad at the bow can be removed unlocking 360 degree fishability. Inside the console is an electric head to a holding tank providing extra comfort on long offshore journeys.

Noteworthy Features

-

Plumbed Port Live Well and STB fresh water well.

-
