Description

Looking for a custom flybridge fishing boat with brand new 2021 Suzuki 225 hp engines? Look no further! The vessel is built with the finest materials and crafted by experienced craftsmen, ensuring that you get a high-quality vessel that will perform excellently on the water. All new fitout completed in 2019 and just over 5 years warranty left on the engines. Clayton Gallant hull.

The boat features a spacious flybridge, providing you with a commanding view of the surrounding waterways, and making it easier for you to spot schools of fish. The flybridge is equipped with comfortable seating for you and your guests, as well as ample storage for your fishing gear.

The new Suzuki 225 hp engines are powerful and reliable, allowing you to cruise smoothly and efficiently through the water. They provide excellent acceleration, making it easier for you to get to your favorite fishing spots quickly.

The boat also comes equipped with a new Garmin UHD 74cv sounder, transducer and a new Fusion stereo with speakers. The new electrical switch panel and wiring ensures everything runs smoothly, and the new 4 x 12V 100AMP batteries provide all the 12v power you need for extended cruising. Leaving and arriving the docking is also a breeze with the installed bow thruster. The custom fitout includes new upholstery, headlining, side panels, and galley, giving the boat a sleek and modern feel. You'll also enjoy all new appliances including a fridge, induction 2 burner cooktop, and convection microwave.

Overall, this custom flybridge fishing boat with new Suzuki 225 hp engines is the perfect vessel for avid fishermen. The sellers circumstances require immediate sale, so call us today!!
