Description

EXTREMELY MOTIVATED SELLER! PRESENT ALL OFFERS!!

2019 Four Winns Horizon 350 is proudly offered for sale with Ray White Marine Australia and New Zealand.

Designed for the owner looking for practicality combined with comfort for a family weekender or for the owner looking for the luxurious day boat, perfect for entertaining your guests then M/Y Black Clover is the boat for you!

As their motto goes; 'Life should be a beautiful ride' and for over 40 years, Four Winns has pursued the joys of boating with the specific use of premium materials including specifically curated fabrics, plush textures, stainless steel features, hand-sewn upholstery and with keen attention to the smallest details to ensure the ultimate, superior level of elegance and comfort.

The bowrider has a length overall of 35Ft, a beam of 11"4 Ft, fitted with twin MerCruiser 6.2L 350Hp and can cruise up to 45km/h when entertaining. She is built with the Four Winn's patented Stable-Vee hull. The Stable-Vee hull was first introduced 14 years ago and has been an innovation that has turned the yachting world upside-down due to its ability to deliver greater lateral stability at rest and underway, with lower plane speeds and lower bow rise under acceleration. For this reason, Four Winns will continue to have some of the smoothest running, and best handling boats in the world.

M/Y Black Clover is a fully spec'd Horizon 350 with no expenses spared. Standout features include a hardtop with manual sunroof, fitted with multi-colour lighting. There is also a hot and cold shower Aft, 2 x Skylights, engine hatch electric lift, a luxurious handfitted top stitched upholstery complete with a tilt-capable deluxe steering wheel and dual 9" Simrad displays for easy navigation.

Designed for ultimate day boating and entertaining, there is a large outdoor Al Fresco Galley complete with Kenyon electric grill and refrigeration. In the deck of this galley, there is a locker with space for coolers and other large items. Under the aft sole hatch, there is the engine start and house batteries. The cockpit social zone features an L shape wraparound seating with adjacent stainless steel cup holders, Simrad electronics sounder and stainless-steel assist handles. The portside bench seats lift to reveal a circuit panel and battery controls. Under the Aft seats, you will find two storage compartments, plenty of storage space for provisions to last several days and nights out at sea.

At the helm, there is a double wide helm seating complete with flip-up bolsters. The captain and companion seats are also very well padded and contoured. The companion seating is separate from the captain's and can swing around to face Aft.

For more room to entertain your guests, there is the Bow. To enter, you will need to pass through a glass cockpit door. The wind dam door is standard for all Four Winns models and latches in 3 places for extra security. There are two forward facing double seats with integrated armrests and a wraparound settee lounge to starboard. You will also find fill-in cushions that converts the lounge into a large sun pad. For added comfort, the bow seating is surrounded by bolster back rests and high grab rails as well as a table mount which is the perfect addition for a sunset cocktail mojito or a delicious picnic.

The forward most section of the Bow, locates the anchor locker which is accessible by lifting the bow panel. The

windlass with anchor, rope and chain can be actuated from the bow or can be easily handled from the control at the helm.

Stepping down exactly 3 steps below the sliding companionway hatch, you will find comfortable accommodation and an enclosed head to suit a couple or small family. Complete with air-conditioning and heating, there are 2 berths and a wide starboard settee which also converts to another berth behind the companionway. In addition to the outdoor Al Fresco Galley, there is also a microwave located at the galley counter to port.

M/Y Black Clover has only had one owner since her delivery in 2019 and in the last year and half, the vessel has been on the dry dock. She has been meticulously maintained and regularly serviced as scheduled.

Integrating cruising capability, a very relaxed approach to time spent onboard fitted with ergonomic elements throughout, the Four Winns Horizon 350 is designed for the ultimate comfort and practicality for all boating adventures. If you are after a boat that is suited for the whole family, this is a must-view for your upcoming summer cruising!
