Description

A 2019 launch, the luxury sailing catamaran Sunreef 60 OCA joined the International Multihull Boat Show as the first Sunreef Yachts catamaran ever displayed in La Grande Motte. This stunning customized 60-footer is a dream to sail and offers the best of comfort for private cruises and charters. OCA's light-filled interiors were given a relaxing and harmonious décor mixing greige and cream. The bright main saloon, generous stern cockpit and ample front terrace merge into one luminous semi-open lounge area with a functional galley, cosy settees, widescreen LED TV and a big dining table for all 8 guests. Up on the catamaran's impressive flybridge, guests bask in the jacuzzi or gather for drinks and dinner while enjoying a spectacular sea view.

The vessel is being sold by its original first owner and has proven capabilities, please call Jules on 0452 554 191 for more information.
