Description

2019 Technohull OMEGA 45 (SYDNEY HARBOUR) AMSA Certified for charter!

The magnificent flagship of the Technohull range, a perfect high-speed harbour entertainer. This true 45ft vessel has been specifically modified to suit strict AMSA requirements and is available for charter for 17 passengers + 1 crew (charter business can be sold with the vessel).

Fitted with the highly acclaimed triple 350hp Mercury Verados, this vessel breaches 60mph without a drop of saltwater on the carbon fibre dash. Her sleek black on black exterior lines are complemented by a full accommodation deck below with day-head/shower. Along with the award-winning offshore hull design, additional options include; Custom wetbar with refrigeration, LED underwater lights, upgraded FUSION Bluetooth audio, hydraulic aft table/sunpad and full RayMarine touchscreen electronics.

Cutting edge technology has been used in every stage on this model. From CNC prototyping to ceramic coated moulds and to epoxy resins, true vacuum infusion, foam-cored combined to carbon fibre production that is finally oven cured in computerised oven, characterising this boat as one of the best made in Europe.
