Description

Introducing the 2021 Azimut S7 Sports Cruiser, a vessel that shouts luxury, speed, and comfort. This meticulously maintained yacht, delivered fresh to the shores of New Zealand, boasts unparalleled performance and style, making it an ideal choice for those seeking an exhilarating on-water experience.

Powered by not one, not two, but three Volvo engines, the Azimut S7 reaches a maximum speed of 35 knots, ensuring an adrenaline-fueled journey every time you set sail. Whether you're cruising along the coast or exploring open waters, this yacht is designed to deliver thrills and excitement at every turn.

With four luxurious cabins and a separate crew cabin, the Azimut S7 offers ample accommodation for up to eight guests or family members. From the inviting saloon to the expansive aft deck, flybridge, and forward deck, there's plenty of room to relax, unwind, and soak in the stunning surroundings.

Equipped with the innovative Volvo IPS system, navigating tight spaces and berthing becomes a breeze, whether you're a seasoned captain or a novice enthusiast. With the flick of a switch, the joystick control puts you in command, effortlessly maneuvering the yacht with precision and ease, earning you admiration from onlookers and passengers alike.

Currently moored in Auckland, New Zealand, this Azimut S7 is ready to embark on its next adventure. With low engine hours and impeccable maintenance, it's a rare opportunity to own a high-performance yacht in pristine condition.
