#### Manufacture Description:

A masterpiece, renewed – and ready to win new admirers. Savour the sea in ways you never imagined, with this restyle of one of the best-loved models in the fleet. Her most innovative features have been further enhanced with an even more exclusive interior design, in partnership with prestigious names from the Italian luxury scene. With the rare originality of her hull design, her various interior layouts and the arrangement of her engine rooms, the Ferretti Yachts 550 combines elegance, practicality and seductively beautiful lines. The wraparound glazing on deck slices through her profile for added panache. The three large hull windows blend perfectly into the overall look, bathing the cabins in natural light and opening up superb vistas from inside. Portholes are inserted flush in the glass with no fibreglass frame, for a supremely clean aesthetic. The lowered flybridge and the new forward lounge area on the wheelhouse offer fabulous al fresco spaces to relax in amid total privacy, without disrupting the yacht's flowing lines. With a winning blend of amenity and finesse, the 550 is a yacht whose appeal is set to endure.
