Description

NEW EXCLUSIVE LISTING

This almost 14-meter-long beach landing craft is something needed to be seen to understand the diverse uses and activities this vessel is capable of. The ManCraft Marine 12M was custom built in QLD and designed for a long list of uses to properly take advantage of what the Australian waterways have to offer. Whether you are an adrenaline junkie looking for unique locations to take your standups, dirtbikes, or ATV's or you're a socialite wanting to entertain as many people as possible with all the luxuries of a 50-foot yacht then "FURY" is perfect for you.

MANCRAFT MARINE boats are Australian designed and built. This unique vessel has endless uses due to its practical layout and design. The enormous floor area can cater to all your family and friends in comfort, also has 4 entry gates including the large bow gate/ramp which creates ideal fishing, cruising, diving, transport, or work boat platform. With a maximum capacity of 18 people or 2,700kgs you can carry ATVs, Dirt Bikes, Quad's, or with the rear submersible powered platform for jet skis to take it for a fun day out on the water. The vessel also includes a full bow to stern cover which not only protect the boat during storage it also encloses the boat to allow for overnight accommodation for multiple people.

"FURY" was custom built with as many options and luxuries ManCraft could offer including a rear submersible platform for a jet ski, custom paint work, upholstery, top-of-the-range audio and visual, and all your standard amenities. Powered by twin Yamaha 300hp outboard FURY is capable of speeds of up to 36 knots and due to the twin hull design, it is super stable at any speed. This boat is truly unique in the sense that it is actually the only 12-meter pontoon boat in existence Australia Wide. *Jetski not included*
