## Description

This is a very rare and exciting opportunity for one lucky buyer to purchase the only Pershing 5x available here in Australia!

Tailored by Pershing to suit Australian waters, she has every conceivable option added to the renowned high-performance hull. Fitted with twin Volvo Penta D11-IPS 900's and joystick controller, she's capable of 34 knots and handles perfectly, with an added GYRO stabiliser for additional stability.

'DOLCEVITA' was custom built in Italy for her one only owner, then delivered direct to Australia where she cruised Melbourne waters for 12 months before she was relocated to Sydney for the Sydney International boat show. This immaculate version of the new generation 'X' series is still local (Elizabeth Bay) and available now with full remaining factory warranties.

Boasting a 2 bedroom, 2 bathroom layout below, it's the perfect weekender. Alternatively, the electric aft window and electric sunroof create a unique light, bright and breezy open plan entertainers paradise, enabling a seamless inside-outside flow from the helm, through the cockpit out to the aft lounge/dining and sun-beds.

Within the tender garage you'll find an almost unused Williams Jet Tender and outside you have a fully submersible hydraulic swim platform. Finally, on the bow you'll find another sun-bed, making for the perfect couples retreat.

## Specifications

LOA: 16,51 [m] - 54 ft 2 in  
Max Beam: 4,38 [m] - 14 ft 4 in  
Draft: 1,35 [m] - 4 ft 5 in
