Description

SUNPOWER 44 VIP SOLAR ELECTRIC CATAMARAN

SUNPOWER 44 VIP — a stunning, eco-friendly cruiser blending elegance with cutting-edge solar-electric tech. This high-performance yacht offers silent, fuel-free sailing, perfect for sustainable ocean exploration.

Innovative Solar Electric Propulsion:

The solar electric propulsion system allows cruising up to 100 km/day, achieving an unlimited range at 4-6 knots for a clean-air experience. The solar system powers e-motors, appliances, and water makers, ensuring energy independence at sea.

Optimal Comfort and Efficiency:

With zero emissions, integrated solar panels, and corrosion-resistant materials, the SUNPOWER 44 VIP guarantees unparalleled comfort and worry-free maintenance. Enjoy noiseless, fume-less luxury navigation with no heat build-up.

Key Features:

- 100% solar-powered
- Australian Built and designed
- Unlimited range without fuel
- Maintenance-free motors (50 years)
- Noiseless luxury experience
- High-quality craftsmanship
- Safest marine propulsion
- Backup diesel generator
- 25-year solar panel warranty
- 8-year battery bank warranty
- 8-year electric motor warranty
