Description

The 70 Sunreef Power continues the legacy of Sunreef Yachts' seaworthy and fully-customizable motoryachts. A dynamic and elegant luxury craft, she belongs to the shipyard's new range of power catamarans including the [60 Sunreef Power](#), 70 Sunreef Power, [80 Sunreef Power](#) and [100 Sunreef Power](#). The vast main deck saloon of the 70 Sunreef Power blends seamlessly with the aft cockpit, creating a large, semi-open dining and sunning area. The skylight, panoramic glazing and wide sliding door let plenty of sunshine into the fully-customizable interior. The generous volumes within the yacht's hulls offer infinite options for a bespoke layout. The crew quarters and galley can be located in the aft and accessed exclusively from the cockpit for more privacy on board. The 70 Sunreef Power boasts a large bow terrace with freestanding furniture and a lounge protected from sun and wind. The aft cockpit provides an alfresco dining space close to the water as well as a great spot to enjoy water sports with easy access to toys and PWC's. The yacht's flybridge offers an unrivalled level of comfort with more than enough space for a spa pool, a bar, a dining area and oversized sunpads. Thanks to her innovative aft garage and hydraulic platform, the 70 Sunreef Power can easily store and launch the tender and jet ski anytime.
