Description

PRICE IMPROVEMENT!

Was: \$1,600,000 NZD

Now Asking \$1,300,000 NZD

Ray White Marine New Zealand is excited and proud to bring this near new Azimut Atlantis 45 to the market. Imported from factory in 2020, 'Amelia' is your opportunity to purchase now and avoid new build factory wait times.

The Atlantis 45 has been designed to bring the outside in with the bright, open single level cockpit which makes for an entertainers dream. Multiple lounging areas, wet bar complete with Ice maker, fridge and BBQ/grill are all positioned cleverly to create an expansive space covered above by a mix of solid and canvas roof. An electronic sliding roof opens over the helm station and creates a 'convertible' feel.

Stairs down from the cockpit lead to the full beam galley/saloon with the well-appointed galley off to the starboard side. Ample seating around the saloon table allows for a more formal dining option which converts into a double berth should extra beds be required. The master cabin is located forward with a walk around double bed and private en-suite. To the rear is the second cabin with a customisable double or twin set up with an additional 3rd bed along the port side giving a total of 7 berths. A second generous sized heads is located just off the saloon and acts as an en suite / easy access day heads.

'Amelia' is powered by twin Volvo IPS 600 440hp diesel inboard motors. Manoeuvring and berthing is a dream thanks to the IPS joystick control and bow thruster. Ease and handling doesn't stop there as reaching her cruising speeds of 28 knots and top speed of 33 knots is made easy with the Volvo auto dynamic trim interceptors.

Open up the hydraulic transom garage door and you will be greeted by a spacious tender/toy garage complete with tender and outboard. The large hydraulic transom lowers 1.5m into the water creating an ideal platform for storing a jetski.

'Amelia' is one of the most highly specced Azimut 45 Atlantis' on the market today with an extensive list of options. She has also been managed by BoatSMART HQ, a professional vessel management company since new. BoatSMART HQ
