Description

This vessel has been the dealers demo model and as a result is a new boat with only 50 hours on the clock.

Powered by twin Volvo D6 370hp engines combined with the sleek Benetteau lines make this boat a real headturner.

The steering station has pilot and copilot benches and ample room for all required instrumentation.

The timbered interior is in light oak with plush leather upholstery giving a real richness and elegance.

You will be the envy of all your friends when you climb on board to spend a lazy day on the water.
