Description

Embark on a luxurious yachting experience with this very well kept 1994 Horizon 50 motor yacht. This meticulously maintained vessel offers a fully glass-enclosed flybridge, combining panoramic views with ultimate comfort and versatility.

Powered by twin Caterpillar 3208 engines, this yacht delivers a cruising speed of 20 to 25 knots comfortably while having the opportunity to cruise around at 8 to 10 very economically. This vessel has had many recent upgrades, it's ready to provide you with unforgettable adventures on the water.

Step aboard to discover the highlight of this Horizon 50 - the fully glass-enclosed flybridge. Immerse yourself in breathtaking vistas as you navigate the seas. The glass enclosure provides an unobstructed 360-degree view, allowing you to enjoy the scenery in any weather conditions while staying comfortable and protected.

The interior of the yacht is equally impressive. It features a convertible aft cabin that can be transformed into a comfortable lounging area, providing versatile options for relaxation or socializing. Forward is dedicated to the main owner's cabin, offering a luxurious retreat with a queen-size bed, ample storage, and an en-suite bathroom.

The yacht's fully equipped galley includes modern appliances such as a refrigerator, freezer, stove, oven, and microwave. Prepare gourmet meals with ease and dine in the spacious salon area, which offers panoramic views of the surrounding seas.

The glass-enclosed flybridge, in addition to the spacious aft deck, provides multiple outdoor areas for entertaining guests or simply enjoying the open air. Whether you're seeking relaxation or entertainment, this yacht has the perfect setting for every occasion.

If you desire a vessel that combines timeless elegance, superior craftsmanship and a fully glass-enclosed flybridge, this Horizon 50 is the epitome of luxury living or cruising. Contact us today to schedule an inspection with the listing Broker.
