Ray White Marine proudly presents this McMullen & Wing 5.4m tender for sale. The tender is fitted with all possible top quality options, available and custom made. This McWing luxury tender has dual capacity as a rescue boat suitable for yachts under 500 GRT, compliant to MCA LY 2. Flotation is provided by efficient integral deep V composite hull which enhances optimal rough water performance. Additional stability is provided by fender tubes when needed. Adopted D section fender tubes provide 22% more useable internal space than traditional round tubes.
