Description

RAY WHITE MARINE is proud to present this stunning Pegiva Retro Sun for Sale. The Pegiva Retro Sun has both traditional and latest tastes. It is a very exciting concept both in aesthetics and stability. The Retro Sun is constructed using fibreglass composite materials for hull and supersructure, and with the addition of Brazilian Mahogany inlaid decks, this feature adds a rich nostalgic look which will take you back to the 1950's and 60's when boating was more about character and styling. To really add to the nostalgic looks, the Retro Sun also comes with a classy flush fitting convertible roof which folds down out of sight in a matter of minutes.
