Description

Bold and defiant, the Pershing 6X embodies the Pershing predatory spirit, with her taut, agile forms and cutting-edge tech. A blast of power with a 48-knot top speed, she's primed to run rings around the rest and poke fun at convention.

A rebel by design. Typical of the X Generation, the sleek, pared-back lines on the Pershing 6X vaunt large hull windows that illuminate the spaces below deck. In another savvy advance, the side wings are integrated into the superstructure for even greater on-board comfort and pleasure.

A 62' yacht with a brazen Pershing instinct, the 6X can slice through the sea at up to 48 knots. All that power comes from the twin MAN V12 1550mhp engines, tamed by an array of state-of-the-art steering and control technologies.

This is a predator with the ability to delight. Her innovative functional design includes a reshaped large aft sundeck, a carbon and teak table in the cockpit dining area, and a forward chaise longue with reclining backrest.

Features

Water (Potable) Capacity (l)	740l
Length (feet)	62.2
Length (m)	18.48
Length Waterline (m)	14.63
