Description

Princess P61 For Sale by Expression of Interest

This magnificently presented P61 has been a former Princess Dealers demonstrator and has never had a private owner.

The P61 was one of the best selling models ever in Australia as it displays the characteristics of a true Motor Yacht with exceptional sea keeping, full walk around side decks with raised bulwarks and a pilots door at the main helm.

The midships galley is a totally functional, practical preparation area that can actually be utilised whilst underway.

Cherrywood finishes are stunning, giving a traditional feel to the vessel without compromising the luxurious ambience.
