Description

She has just left the Hong Kong shipyards after more than a year undergoing a complete re-build and re-fit. The boat was stripped to the bare shell and rebuilt with all interior, electricals, mechanical equipment all being replaced while the hull was completely stripped, tested and then re-epoxied. She is now brand new.

Ideal for either private luxury or for charter, she sleeps ten plus crew or can cater for sixty plus if conducting functions. Everything is there from bed linen to cocktail glasses.

Powered by twin Caterpillar engines and a fuel capacity of 6000 litres, cruising will be a breeze.
