Description

A rare opportunity to own one of Sydney Harbours most sought after boats. The 33' Aquariva is the boat that, may be more than any others, represents the natural conjunction point between the past Riva and the one of the future. Her elegant and sinuous lines, the presence of precious woods made at art, the absolute details care, come together with unique comfort, reliability and performances for a motorboat like this. Own symbol of Riva style and elegance, Aquariva has confirmed his own presence and his own success on all the continents, exactly like the legendary Aquarama did a few decades ago, today a cult boat for the worldwide collectors. This perfect condition 2006 RIVA Aquariva has been maintained beautifully, just had all new marine upholstery to the best standards and maintained weekly by the team at Point Piper Marina with much of its life in dry docking. The boat has a fully automatic Bimini for sun protection as well as a comfortable cabin and toilet.

Features
