Description

Introducing the latest innovation from Sunreef, the Sunreef 77 Ultima, seamlessly combining elegance with cutting-edge technology meeting the evolving demands of luxury yachting enthusiasts. The core of sunreef's design philosophy lies in its commitment to sustainability without compromising on style or performance. Featuring a "solar skin" the vessel partners clean aesthetics with the ability to charge its ultra light batteries through thin flexible solar panels.

Among the many other features this yacht boasts are its light-filled living spaces, alfresco lounging areas, and semi-open dining, all prioritising comfort and luxury to meet the needs of discerning yacht owners. By pushing the boundaries of green technology and efficient design, Sunreef sets a new standard for environmentally responsible yachting solutions whilst delivering uncompromising luxury and performance
