Description

A true luxury/sport mega RIB!

Our 45ft flagship model designed to travel long distances, in any kind of weather conditions.

Clever to accommodate many people on the deck, useful for leisure and cruising, easy to handle, operate and move around.

Edge technology has been used in every stage on this model. From CNC prototyping to ceramic coated molds and to epoxy resins, true vacuum infusion, foam cored combined to carbon fiber production that is finally oven cured in computerized oven, characterizing this boat as one of the best made in Europe.
